January 2024 started on a paws-itive note with two amazing rescue

stories. These narratives convey the true heart and soul of SoCo

Rescue's mission: support, empathy, and teamwork. The "happy ever

afters" always begin with the support from our friends in Georgia who locate and foster abandoned dogs. They are the same folks lovingly caring for and demonstrating empathy for all the dogs at the rescue. Next, we must arrange transport from our location to the dogs' fosters and fur-ever homes. I drive the bus and Matt flies the plane. Our dogs often arrive in NJ disoriented and unfamiliar with living in a home. Our foster families welcome the dogs and pups into their loving homes where they decompress and learn to live with a family. Our dedicated volunteers work tirelessly to find each dog the perfect home with a warm and doting family. Teamwork! With all the moving parts, each story is nothing short of a miracle. As you know, a rescue flourishes with love, dedication, and support. Your donations are acts of love. SoCo has designed "fun"--raisers that will benefit everyone! We have several fundraisers coming up: Comedy Night and Bingo Night. Having a great time with your friends while supporting SoCo is the perfect recipe for success. We invite you, your friends, and co-

workers to clear out closets and donate gently used sneakers to our Sneaker Recycling Fundraiser. Remember to take a peek at the SoCo Swag store, and don't forget to check out our awesome Alumni Calendars. Finally, I am sure you will share in my joy as you read the remarkable rescue stories of Olivia and Number 3 shared below.
